dear chuck e...

I just wanted to take the time to let you know about this wonderful employee, Joyce Schober. My son had been sitting at a booth and was tearful about not being able to play due to a consequence at school. Joyce (whom I never met before) came up and asked me why he was crying. I explained that he was in trouble at school today and was not able to play games while his brother did. She asked if she could go give him a treat and encourage him to do better tomorrow and just encourage him. She went over and talked to him, got him to stop crying and just encouraged him to try harder and to never give up! I was so amazed to meet such a generous and kind person who really went out of her way to make a child's day better when she certainly did not have to. This was in no way part of her job. She was just as kind to my other son and explained that he could pick out something special as well. The smiles on my kids faces but more importantly the support was amazing and they both said it was a day they would never forget and neither would I. Please know what a special person she is! Thank you!

August 24th was my son's 50th birthday. Scott functions intellectually as a 5 year old. Suddenly in the last 3-4 years he has developed a love for Chuck E. Cheese! This is the 3rd year we have had a party in your Clarksville, TN location. We had several guests; several in wheelchairs, and some little ones 2-5 years old. Everyone was excited and thrilled to be there. They loved the pizza and especially the attention we received from our hostesses! I hope I have their names correct; Emily and Bailee! They were the epitome of gracious and welcoming! They could not have done more to make my son feel so special. In the hustle of leaving the party after 2 hours, we left a gift behind. Before we got home, they had called and left a message on my home phone. We made arrangements to go back today to pick up the gift – which included cash. They not only are hard workers and beautiful people, they were honest! They are the reason we will re-book for next year! I do not know if you acknowledge your outstanding employees, but these two are worthy of working hard to keep! Fantastic experience by one and all at our party!

I filled out the survey on my receipt but want to make sure my message is seen. We live by the Muskegon, MI location and drive further to go to the Alpine Rd. location in Grand Rapids because it is our favorite with the game selection broad for smaller children. This was our second time at this location and both times I have seen an employee that goes above and beyond. I believe her name is Kristen. She is beyond amazing with the kids. She has an incredible energy about her and it makes it a wonderful experience. She makes sure the kids are all seated for the ticket splash and encourages the children to be friendly, not to push and shove. I love this! I really hope she will be an employee of yours for a long time. I don't think I can say enough wonderful things about her. She is a great role model for the children and other employees as well. Thank you!

I just wanted to say that we went to the Silverdale, WA Chuck E Cheese on Monday the 28th in the evening. Usually, the worst part of Chuck E. Cheese for a mom is check out time. Dealing with the tickets and splitting the tickets between the kids and choosing which item each kid wants. It's exhausting! But, this time we had the most amazing experience at checkout because Bryant helped us. I cannot tell you how awesome he was. He engaged my kids, he helped them decide, he showed excitement over the smallest of prizes. Even the kids commented on how awesome he was. Bryant deserves a raise, thanks so much!
